HKD JPY  At least one account is required  * POLITICALLY EXPOSED PERSON	CNH AED	NGN	CNY	
No Yes				

You should also give brief explanation of yourself to support source of income.

## Now it is time for document upload...

#### Passport spread with your photo

- A color photo contains full document in clear focus and the data can be read easily.
- There're no light glares impeding document readability.
- A photo was not edited in graphic applications (we will definitely check).
- · Allowed file types: PNG, JPG, JPEG, PDF.
- Maximum file size: 8Mb.

+ Add File

### Selfie with your Passport

Upload a selfie of the Account Holder holding his Passport (at the page with a photo) in one hand and a paper with written name of platform "Miracleneo", date (dd/mm/yyyy/) and Account Holder's signature in the other hand. Photo should be good enough so it is possible to read ID data and see written on the paper text. You can use help of another person to make this photo or use a delayed photo function on your phone.

- Allowed file types: PDF, IMAGE/PNG, IMAGE/JPEG.
- Maximum file size: 10Mb.

+ Add File

You may upload a bank statement or a gas-electricity-water-internet etc. utility bill. This document should not be older than 3 months from the current date.

#### \* Personal Proof of Address

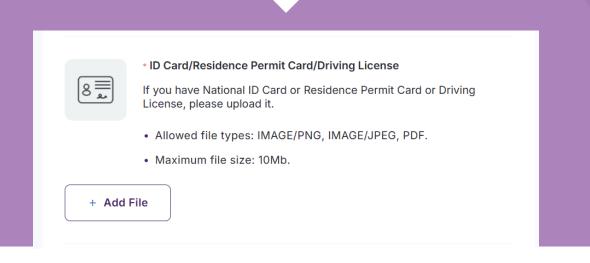

- Bank statement with the date of issue and the name of the person (the document must be not older than 3 months).
- Utility bill for gas, electricity, water, internet, etc. linked to the property (the document must not be older than 3 months).
- Allowed file types: IMAGE/PNG, IMAGE/JPEG, APPLICATION/PDF.
- Maximum file size: 10Mb.

+ Add File

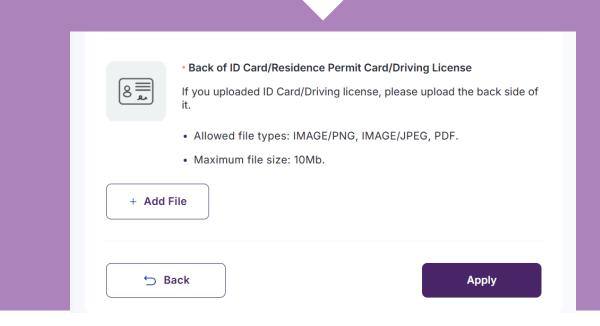

You should take a good and clear photo of your ID Card (the one you've chosen before, ID, Passport or Driver's Licence and upload it.

Name, photo and ID Number should be clearly visible.

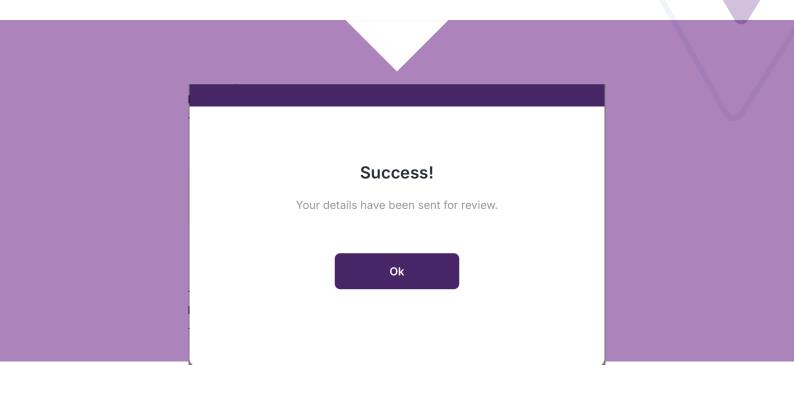

And finally hit «apply» button to finish your KYC form.

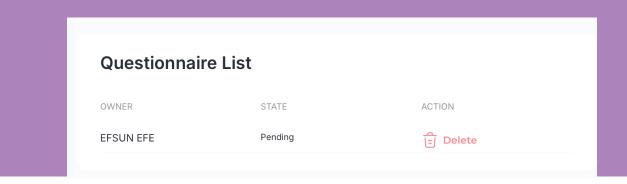

## Congrats! You've made it.

Now, it's time for us to review your documents and info to approve your KYC Process. You will be informed via email if you need to upload any more docs.

We will inspect your documents and proceed with your KYC

To make a transaction, you have to open a new account with a selection of currencies and should select one. (USD, EUR, USDT etc.)

Do not forget to open an USDT account for crypto transactions!

#### Add a new account

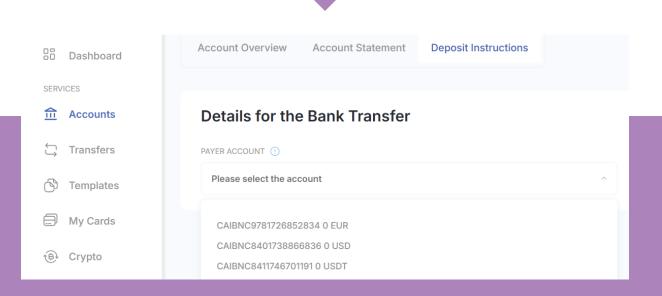

Choose a cu	Choose a currency for the new account (one or more).						
CAD	EUR	GBP	USD				
USDT	SGD	HKD	_ JPY				
CNH	AED	NGN	CNY				
ZMW	GHS	XAF	UGX
